655 Serra – Field Inspector’s Area
The Storage story
Land, Buildings and Real Estate

Goal: To create a workplace that addresses the...
- Need for lots of immediate and active storage (different types)
- Need for quick access to files
- Need for collaboration/teaming
- Need for better organization
- Practice of sustainability & ergonomics
- Utilization of existing elements

Workplace objectives:
- Maximize functionality
- Maximize storage
- Paper and storage organization
- Accommodate more in less square footage
- Touchdown space

Solutions:
- Allsteel/Reach:
  Active and immediate storage
- HumanScale:
  Ergonomic tools and seating

Challenges:
- New workplace etiquette
- Paperless environment
- Noise from adjoining area (whitenoise??)
